Additional comments/ Recommendations:

Everything about the process with Flying Duchess has been excellent - from the set up, booking, matching with sitter, payment process - everything. Keyena is a credit to your business. From the moment I met her for the initial consult it was instantly reassuring - she was professional but personable and extremely respectful and sweet to my pet. My cat really is a member of our family and I couldn't have asked for him to have been treated any better. He is happy, content and looks in great health. Thank you so much for an outstanding service - and

Keyena you are amazing and Tiger clearly adored you. Thank you for treating him like one of your own. We will be booking again without doubt and hoping Keyena can accommodate us in the future.

Thank you
